FOREWORD

The War of 1812 was formally ended by the Treaty of Ghent on December 24, 1814. This war for American economic independence proved that the infant United States was indeed united—not a federation of loosely-organized colonies. However, twelve days later, the experienced British troops, under the command of Sir Edward Pakenham, launched an invasion on the city of New Orleans, not knowing that the peace treaty had already been signed. The Tennessee Indian fighter, Andrew Jackson, came to New Orleans with his small but seasoned army to defend the city. Orleanian volunteers and Jean Lafitte's pirates joined Jackson in establishing breastworks downstream from the city. This makeshift army soundly defeated the British in the short battle which followed.

The Battle of New Orleans epitomized the determination of the American citizens to retain their freedom under all circumstances. Had Jackson not been victorious, our young country might have once again been forced into suppressed domination. This battle in our Second War for Independence impressed a spirit of unity upon Americans which has lasted through the present day.

On January 8, 1965, Orleanians paused to remember what those few did for the cause of American Democracy. Sesquicentennial festivities took place at Jackson Square and at the battlefield in Chalmette, where the battle was reenacted. Highlighting the religious commemoration was a Pontifical Mass of Thanksgiving celebrated by Archbishop Cody in honor of Our Lady of Prompt Succor, patroness of New Orleans.

As Orleanians, we take special pride in this part of our nation's heritage. It is this pride which prompts us to recreate in pictures the events which took place last January and that January one hundred fifty years ago.

DEDICATION

PARENTS CLUBS SERVICE KEYNOTED

Perhaps too frequently the news media and the public in general dwell upon the sordid and depraved life of some of our more unfortunate citizens. We hear from our televisions and newspapers of such things as "hate" groups, selfishly and stubbornly proclaiming their own self-righteousness. We read in our magazines of such terms as the "twisted" generation, referring to the seemingly senseless frenzy of our post-atomic babies. But rarely do we hear or read about the numerable praiseworthy efforts of a vast majority of American citizens.

It is for this reason that we of the Maroon Legend staff on behalf of the entire faculty and student body dedicate this edition to the De La Salle Mothers Club and Boosters' Club. These two organizations more than any others connected with our school's young history have contributed enormous aid to De La Salle's progress. Two of their notable accomplishments were the financing of the Freshman wing in the mid-fifties and the erection of the Student Center through their successful drive in 1961. Also the Boosters' Club annually sponsors the most money-making event at De La Salle—the Fall Festival. Through this affair much needed improvements, additions and renovations can be made on the school complex.

For this unselfish and untiring work we believe that these two clubs deserve the school's hearty thanks and congratulations for a job well done. As a token of our appreciation we have pictured on these pages the past leaders of these two hard-working organizations.

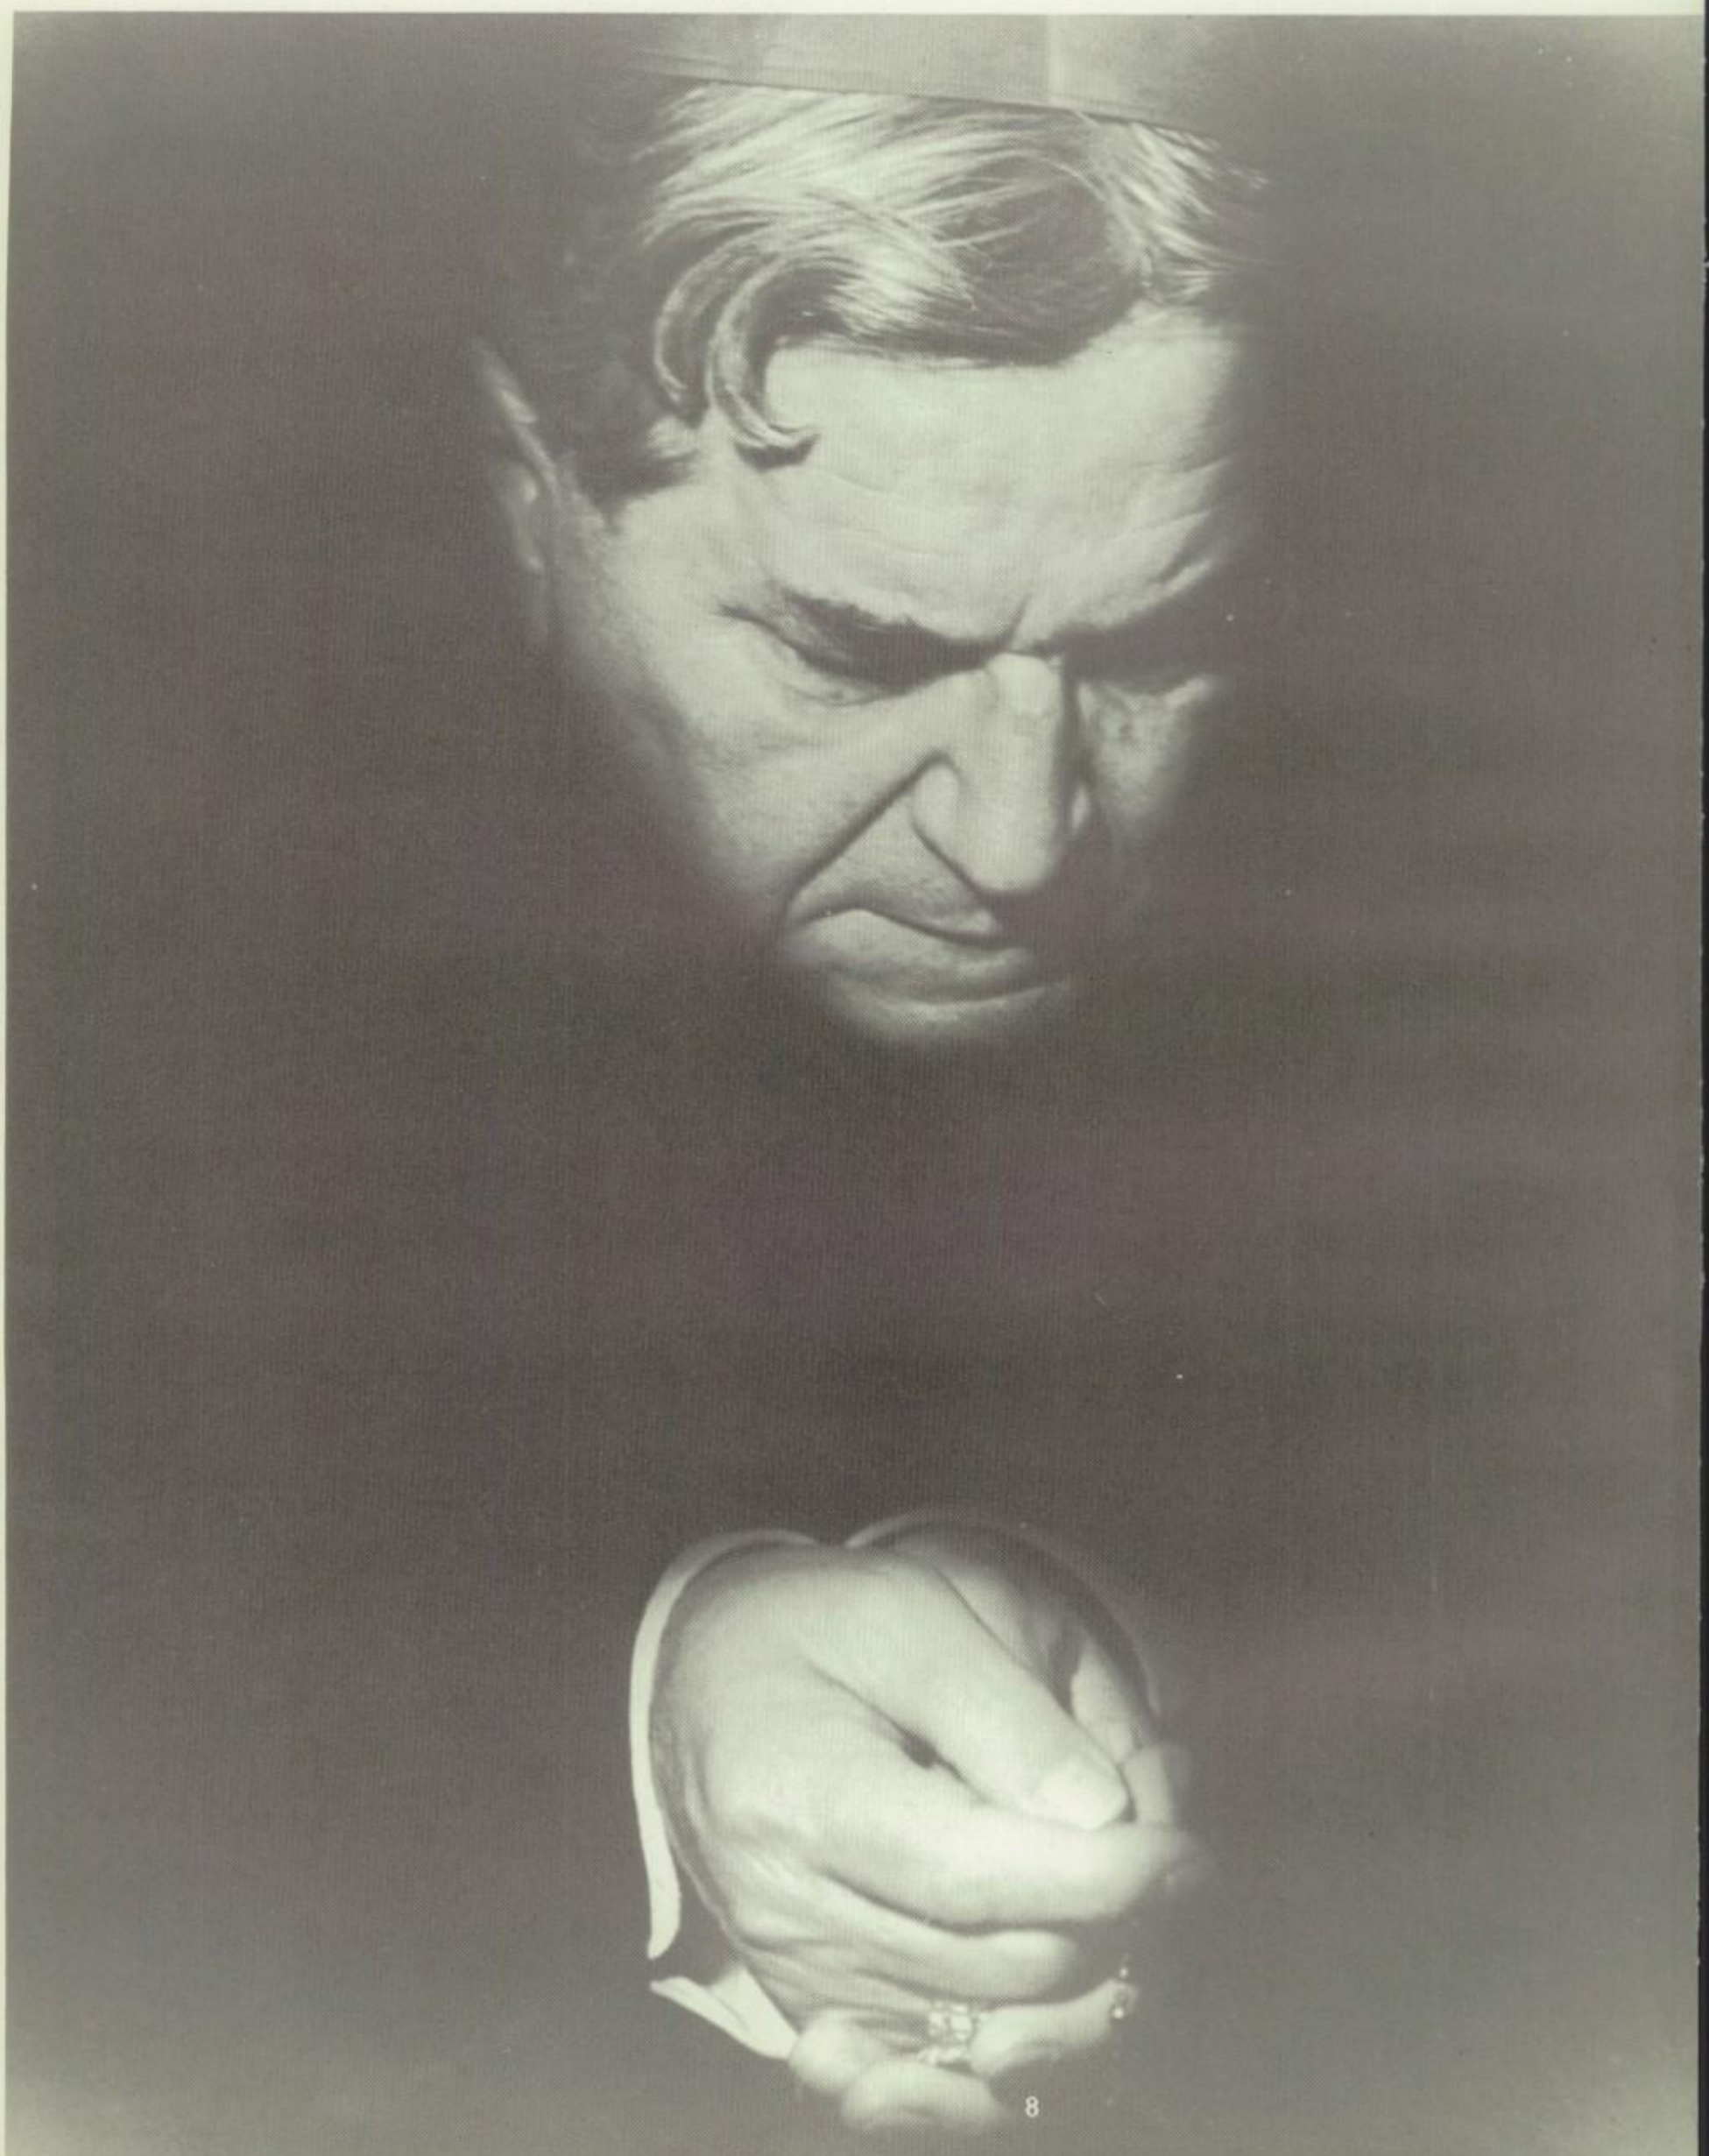
IN MEMORIAM

JOSEPH FRANCIS RUMMEL, S.T.D., LL.D.

October 14, 1876—November 8, 1964

Archbishop of New Orleans



PRELATE'S EFFORTS

MAKE DE LA SALLE

On November 8, 1964, the Archdiocese of New Orleans and De La Salle lost a friend and spiritual leader. Archbishop Joseph F. Rummel served as Archbishop of New Orleans for nearly thirty years, guiding it through the difficult period of parochial school expansion. For this, he inaugurated the Youth Progress Program serving the Catholic population and, indeed, the entire community. On a more personal level it was through his cooperation and efforts that De La Salle came into existence. Standing in testimony to this is the bronze plaque in the main lobby of this school.

However, no plaque, no inscription, no earthly token can adequately express the noble spirit of love and brotherhood which characterized the Archbishop's actions at all times. In his decision to desegregate Archdiocesan parochial schools in accordance with Christian charity, he exemplified this spirit. While surrounded by critics, the Archbishop maintained his composure of paternal leadership and guided New Orleans through this critical period.

For his work with the youth of New Orleans and for his undying spirit of love, we will sadly miss the late Archbishop of New Orleans.

It is this man, this holy priest of God, that we, the Maroon Legend staff of 1965, wish to remember after others have forgotten.

Archbishop Rummel congratulates close friend, Brother Arsenius on the occasion of his fiftieth anniversary as a Christian Brother.

In the fall of 1961, Archbishop Rummel blessed the newly erected DLS Student Center.

PRINCIPAL'S MESSAGE

DE LA SALLE HIGH SCHOOL
5300 St. Charles Ave. • New Orleans 15, La.

To all the Class of 1965:

Here now, full-fledged Cavalier alumnus, is the recording of events and activities now committed to history which marks the completion of your education at De La Salle under the Christian Brothers and our devoted lay teachers. This is the fourth and final volume of your personal series of the Maroon Legend and you can easily trace the steps you took from that happy September day in 1961, on through to your senior year where you were given the "front row, center" position along with your fellow classmates.

As you look over these cherished pages, your physical growth and achievements crescendoed from a picture now and then (usually with a "beanie") through a few more here and there, as a sophomore and then as a junior, until the glorious senior days, when you got your Senior Ring, captained that team or officiated over that academic activity, danced with her at the Prom, and, proudly capped, took the final spotlight at Municipal Auditorium, diploma in hand.

That is now history, your history, and you should be proud of it. As a member of the largest graduating class De La Salle has ever had, and may possibly ever graduate, you must desire a distinction not quite so cold and statistical, one which says the "amen" to all that is De La Salle, a distinction inherent in the very name "Cavalier," a personal worth which is the "Why?" of these four years, yes, and of the eight preceding. Yours it is to live up to the Cavalier hallmark—the man of faith who thinks, judges, and acts, constantly and consistently with right reason, illuminated by the light of faith as he respects the rights of his neighbor, defends his own, despite the obstacles, while reverencing his Creator and Redeemer in life and love.

So, Cavalier, stand firm on your honor, and sing out: "De La Salle Lead On!"

God bless you!

STUDENT COUNCIL

PROGRESS IN LEADERSHIP

The 1964-65 De La Salle Student Council, under the guidance of Brother Leo, has once again demonstrated real progress. Led by President Johnny Arthurs, the governing body improved on the weak points of previous administrations and began many innovations.

The annual promise of an early Student Directory finally became a reality with the efforts of the hard-working High Council. Those who attended Victory Dances noticed a marked improvement over those of past years. The Junior-Senior and Senior Proms took on an air of elegance not present heretofore.

As would be expected with five Seniors on the High Council, school spirit was greatly increased. This spirit brought about many new activities, including a *real* Freshman initiation and a Senior-Faculty Donkey Basketball Game.

Generosity also characterized the Council. Guided by their efforts, the entire student body contributed substantial funds to the New Orleans Police Foundation. Other worth-while causes aided by DLS and its generous tribunal were the annual March of Dimes campaign and the Cancer Drive. It was this work in civic activities that brought even greater credit to their Alma Mater.

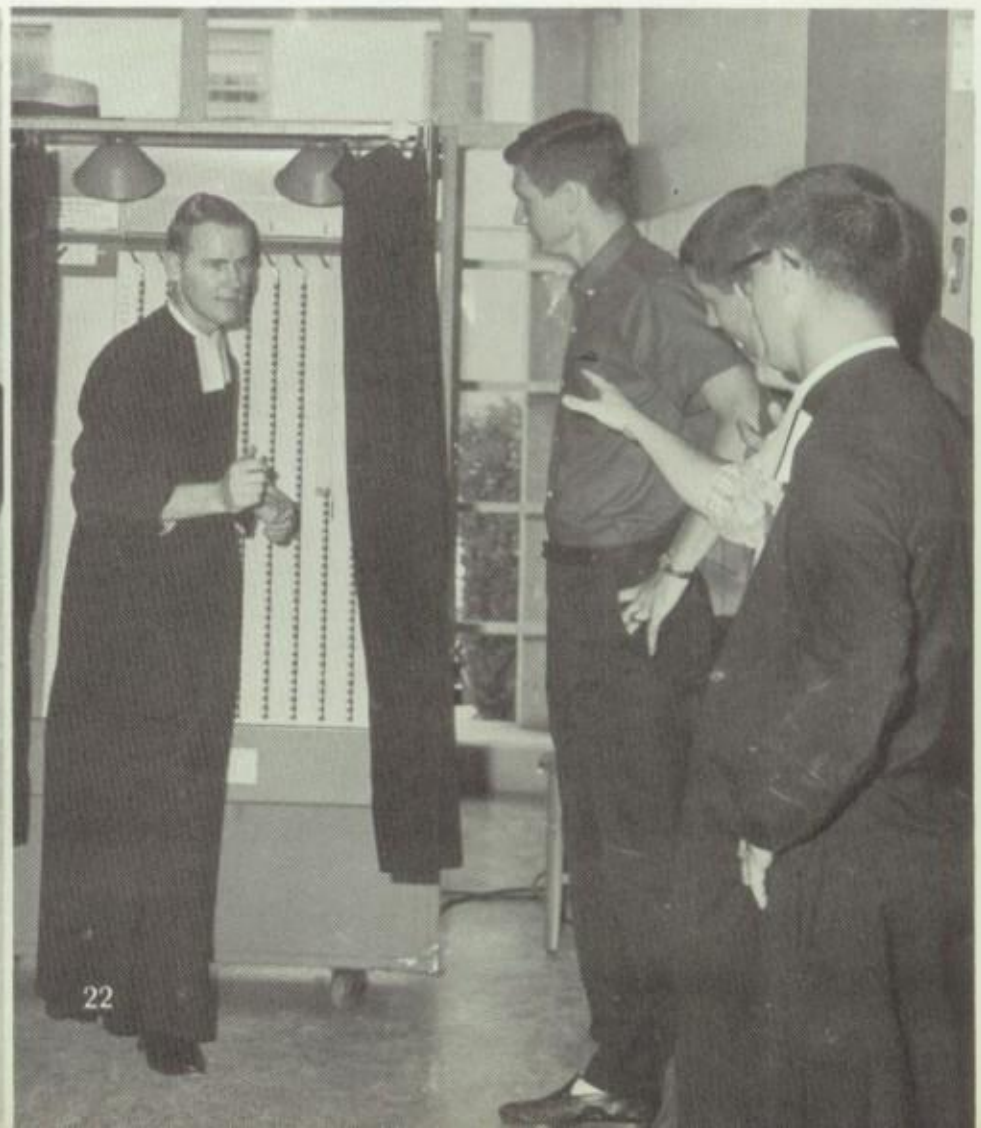
Because of their accomplishments, the Student Council deserves a hearty "Thank You" from both the faculty and student body.

Officers of the 1964-65 Student Council, *left to right:* Brother A. Leo, *Moderator;* Larry Mickal, *Treasurer;* Johnny Arthurs, *President;* Bill Grafton, *Vice-President;* James Attebery, *Student-At-Large;* and Robert Salzer, *Secretary.*

Outgoing President Johnny Arthurs introduces hopeful candidates in Student Council election campaign.

President Arthurs presents Mr. Isidore with check for proceeds from Donkey Basketball Game.

Brother Justin votes for candidate of his choice in Student Council Election.



SENIORS

VALEDICTORIAN

ANTHONY J. LORIA, JR.

The valedictorian of the class of '65 has proven his excellence in the academic field through diligent study and untiring work. Through countless tests and exams over his four year high school career, he has successfully placed himself at the top of his class. But this is only one side of Loria's diversified personality. Besides being an outstanding scholar, A. J. has also served as President of the Mu Alpha Theta math club and has been a three time winner at State Rally. Last summer, A. J. also had the distinction of being a participant in the National Science Foundation's math program at University of Southwestern Louisiana.

Come September, Loria will enroll in Tulane University on a four year scholarship. With him goes our best wishes for continued success. Judging from past achievements, our 1965 valedictorian has built himself a firm base from which to pursue higher goals.

SALUTATORIAN

CHARLES F. THENSTED

This year's salutatorian has shown his talents to be as varied as the many activities in which he participated. Using these talents to their utmost, he has been active in Mu Alpha Theta, Junior Achievement, Civics Club, and National Honor Society. In these various clubs, Thensted has shown proficiency in science, business, socio-politics, and all-around scholarship.

However, all of these extra-curricular activities are just that—extra. Charles' major accomplishment during his four years at De La Salle was graduating second in a class of two hundred and sixty-eight.

For this Thensted deserves our heartiest congratulations for a job well done. Likewise our best wishes go with him as he leaves for West Point Academy in the fall on a four year scholarship.

SENIOR RING DAY

On Friday, October 16, 1964, two hundred seventy-five De La Salle Seniors congregated at St. Stephen's Church to receive their long-awaited Senior Ring. Mass, benediction, and a short sermon by Fr. Smith denoted the religious significance of the DLS "symbol of achievement." Immediately following, the president of each senior homeroom distributed the blessed rings to its eager recipient. As each senior received the token, a sense of pride and accomplishment could be observed in his attitude.

Traditionally, the seniors were given the rest of the day off so each could boast about the garnet stone on his left hand. And boast they did! The wearer displayed the jewel to a privileged few, including relatives, friends, and "her." At times, the seniors condescended to show even a freshman his ring, but with one catch—to initiate him and make him aware that he has only four years to go, if he's lucky!

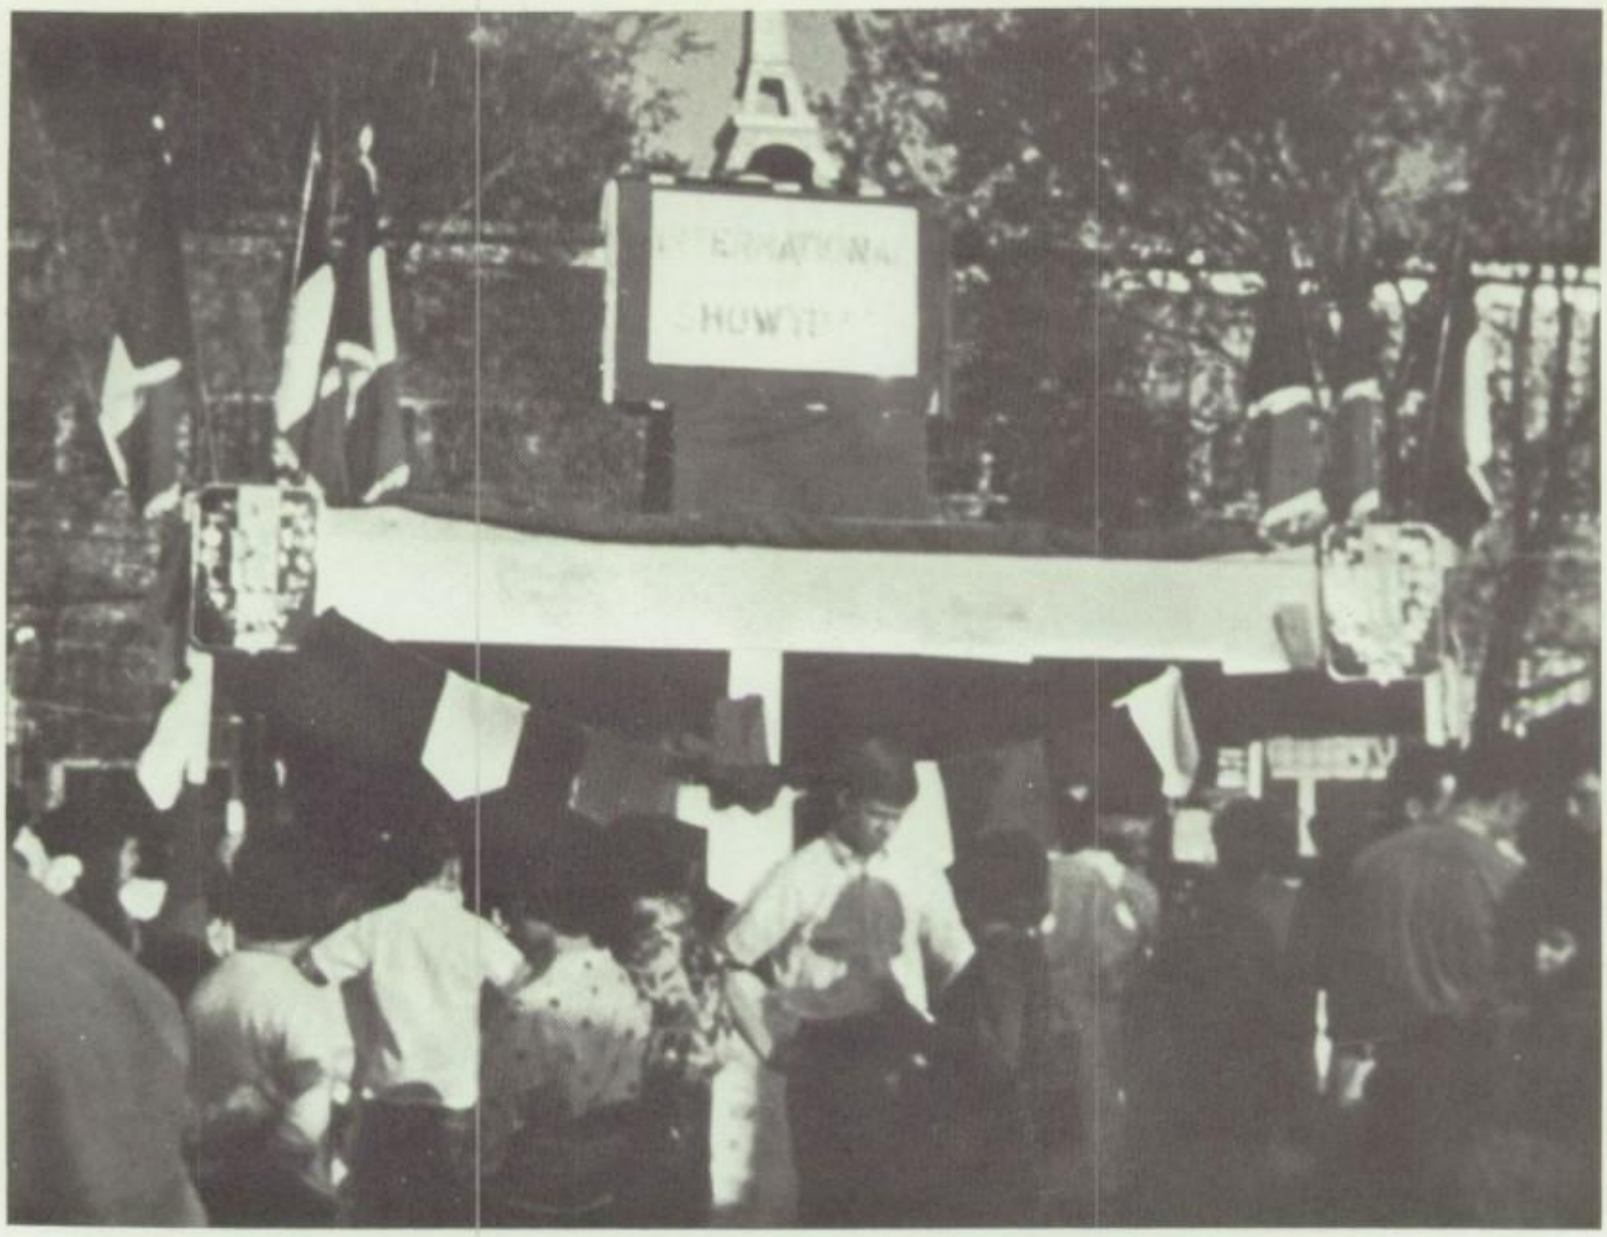
FALL FESTIVAL

Historically, the celebration after the fall harvest was begun by the Middle Eastern Orientals, who with usual expertness set up wooden huts and held a bazaar. The fair was generally a success, but frequently Oriental tempers erupted and the camp grounds usually ended up ablaze.

The Orientals would do well to take a lesson from De La Salle. On October 18, 1964 thousands of parents, students and friends converged on the St. Charles Avenue campus and had one of the finest fall festivals in the school's history.

There were more than thirty booths, decorated by students, to challenge the skill of both young and old. For the hungry, there was an excellent supper provided continuously by the school cafeteria. For the dancers in the crowd, there was a sock hop in the gym student center to spark the evening's entertainment.

The main attraction of the festival was the entrance prize, a new Rambler Classic. Through student effort approximately fifty-thousand tickets were sold.



International Showtime booth drew large crowds from all age groups.

HOMECOMING WEEK

Usually the most festive of all school functions is the annual homecoming celebration. The 1964 De La Salle Homecoming was no exception. The activities started with a gala Nomination Dance held in the Coker Room of the Municipal Auditorium. About a week later, the Homecoming Queen was elected by the Cavalier Student Body. Lovely Miss Pat Fitzgerald was the fortunate girl to reign, while Miss Jeanne Cusimano was chosen Maid of Honor. The Court was officially presented at the Homecoming Dance held in the Tulane Room of the Jung Hotel.

To add more spirit to the celebration, the Freshmen were formally initiated during Homecoming Week. Any senior had the right to ask any freshman questions which the newcomer was supposed to answer correctly. If not, the senior demanded some compensation for the frosh's "stupidity." To climax the initiation, the Freshmen were sprinkled with honey. flour, catsup, or tooth paste by the four year men on the last day of Initiation.

Climaxing the week-long activities was a spirited pep rally and bonfire held on the eve of the Jesuit game. Percival J. Bird, who had laid in state for the whole week, was finally cremated. Sunday afternoon saw the Cavaliers lose a tough game to arch-rival Jesuit, but a celebration like this will not be quickly forgotten.

FATHER-SON NIGHT

This year's Father-Son night was held on December 8, in the De La Salle Gym. At the buffet-style supper, students and their Dads were afforded an opportunity to spend some time together. Past presidents of the Boosters Club were honored, and Brother A. Amedy introduced a number of students who had achieved academic honors during the previous school year.

The guest speaker was Father Edward Sheridan, S.J., of Manresa Retreat House, who gave an interesting talk on Father-Son relationships.

The evening was a complete success. All who attended went home well fed and well satisfied.

STATE RALLY

On Saturday, April 17, a busload of sharp De La Salle varsity scholars converged on the campus of LSU Baton Rouge. The purpose—to take home as many first place honors in the State Literary Rally as possible.

Because of the extensive testing and retesting of the candidates by Brother Hilary, moderator, only the top in each division made the trek to Tigertown. In addition to the series of tests, the members of the team studied diligently for weeks on their own. Many hours were spent after school by the scholastics whizzes in order to be tutored in their respective fields by members of the faculty. Now to see if the efforts would pay off.

Indeed they paid off—with dividends, too. John Olivier captured first place in Algebra 1. Valedictorian A. J. Loria and Bill Charbonnet placed second in Algebra 11 and Geometry 11, respectively. Science Fair winner Greg Smith placed third in Chemistry. In the Physics division, Frank Luce earned a fourth place berth. Louis Remele copped a fifth place U. S. History, while Alvin LeBlanc placed fifth in Trigonometry.

Congratulations to the entire team, especially to the seven point-makers.

JUNIOR-SENIOR PROM

THEME IS "NIGHT IN OLD NEW ORLEANS"

Easter Sunday night, April 18, was "A Night in Old New Orleans" for Cav juniors and seniors and their dates. The colorful setting for the event was the International Room of the Roosevelt Hotel where top hats and centerpieces helped convey the theme.

Deacon John and his Ivories furnished the music and, as usual, were in excellent form. Benny "Fortune Teller" Spellman was also on hand, as well as Oliver "LaLa" Morgan. Obviously, the music department was in capable hands.

Variety was a notable feature of this year's prom—colorful variety. The traditional white tux was out, replaced by the optional attire of blue, frat seersucker, and madras in every color imaginable.

This year's prom was rated highly successful and those who went experienced a night of complete enjoyment.

SENIOR PROM

"SOUTH OF THE BORDER" THEME IS ACCENTED

On Saturday, May 1, 1965, the Grand Ballroom of the Sheraton-Charles Hotel was transformed into a Mexican Casino, as De La Salle staged its biggest social event of the year, the Senior Prom. To accent a "South of the Border" theme, the graduates and their dates were given appropriate souvenirs.

In an air of conviviality, each Cavalier and his sweetheart exchanged an informal "adios" with fellow graduates.

Singer Benny Spellman led the way as everyone joined in the singing, clapping, and dancing until one o'clock in the morning. When the fiesta was over, each couple reluctantly departed, the "señoritas" with wool burros, the "señores" with straw sombreros for a head full of memories of a most enjoyable evening.

TALENT SHOW

Maude Fricket (Tim Triche) tells of her career as oldest airline stewardess.

The eleventh annual De La Salle Talent show was held this year on Saturday, May 8, in the Municipal Auditorium. This year's show was dedicated to Mr. Walter D. Stella, the originator of the talent show and faithful friend of De La Salle for more than ten years.

This Talent Show was topical and up-to-date. The Broadway hit "Hello Dolly" was well represented by a fine dance number, and the DLS version of TV's popular "Shindig" was good enough to capture first place in large group competition.

In the comedy skit category, "0007," a clever satire on the James Bond movies took first place honors. A DLS version of the "Tonight Show" was presented to round out the satirizations. Guitar solos, rock and roll combos, and folk song groups added to the spice of the program. Guest performers from Dominican and Mt. Carmel High Schools contributed their talents to make an enjoyable evening more enjoyable.

A special vote of thanks should be accorded to producer-director Brother Eugene for his efforts and hard work in making this year's talent show the best yet.

COMMENCEMENT EXERCISES

The most anxiously awaited day for seniors was May 26, 1965—Graduation. Activities began at 9 a.m. with a Baccalaureate Mass at the Church of the Immaculate Conception with Father William Pittman, C.M., pastor of St. Stephen's the celebrant. Following Mass, a two hour breakfast was given for the graduates, parents, and friends at the International Room of the Roosevelt Hotel. Major awards and scholarships earned by seniors were presented at the breakfast.

Commencement exercises were at 8 o'clock that night at the Municipal Auditorium for 275 seniors—the largest DLS graduating class in Cav history. Thirty-four seniors were presented honor diplomas for outstanding scholastic achievement over their four year stay at De La Salle. The Salutatory address was given by Charles Thensted and the Valedictory by A. J. Loria. The guest speaker was Brother C. Luke, president of St. Michael's College in Santa Fe. Diplomas were conferred by Monsignor Henry C. Bezou, Archdiocesan Superintendent of Schools.

AWARD NIGHT

De La Salle's fourth annual Award Night, moderated by Mr. Alvin Murphy and Mr. Felix Gaudin, was held in the school gym on May 28. Students who had reached prescribed levels of scholastic and athletic achievement during the school year was presented with awards.

Among the scholastic awards presented were the Torch Awards, General Merit Letters, Science Fair Medals, and State Rally Letters. Certificates were presented to students who maintained an "A" average in a foreign language while members in good standing of various organizations were presented letters. The Cavalier Award, given to the student with the most merit points, went to Junior Bob Groves. This marks only the second time in the DLS history that this award was not won by a senior.

YOUNG BUT DETERMINED

The Fighting Cavaliers of Coach Leemon McHenry, though long on hustle, were short on experience. Although the football record may look a bit dismal compared to previous seasons', these figures don't indicate the determination and spirit displayed by the players. In four games this season, the young starters held their experienced opponents to a very slim advantage. With only six seniors on the entire squad, the younger players gained much needed experience for coming years.

Providing the ground-gaining attack for the Cavs were fleet sophomore halfbacks J. B. Rateau and Duke Chappuis. Quarterbacks Dickie Mart and Stanley Lauland added their talents to give the team a potent aerial attack. Up front, senior co-captains Larry Mickal and Billy Grafton combined their efforts to show the "young but determined" aggregation what fighting spirit really is.

If the '64 team is an indication of future pigskin fortunes, then De La Salle will be riding high in district competition come September.

ARTHURS MAKES ALL-AMERICAN TEAM

Throwing a wrench into everyone's pre-season predictions, the De La Salle Cavaliers of coach Johnny Altobello swept past 28 of 33 opponents on their way to the semi-finals of the state playoffs.

Running past their first twelve opponents with relative ease, the cavaliers were stopped twice in the CYO tournament, including a lopsided loss to St. Aloysius. With league play about to start, coaches John Altobello, Jack Smith and Ronnie Aucoin got to work and developed the title contender that the Maroon and White were to be.

The losses to St. Aloysius and Holy Cross were avenged, and the Cavs did not lose any games save the pair to eventual state champion Jesuit. Going into the playoff, the Cav hoopsters crushed Baton Rouge before being beaten by a much taller Bolton quintet.

Although the entire team played well the mainstay for the success was All-American Johnny Arthurs and his consistent shooting.

VARSITY BASEBALL

The 1965 De La Salle baseball team, which included only four seniors from the 1964 state championship squad, lived up to preseason predictions that it would be a contender.

With good defensive play and steady hitting, the Cavs went through their first round schedule with relative ease, winding up in the number two spot in the standings.

The second round was rougher for the DLS diamond boys. Important games were lost by a one run margin, and key players weren't at their best.

The booming sticks of Glenn Montreuil and All-District third baseman Terry Hebert, and the fine defensive plays of Johnny Arthurs together with the mound work of Mark Comarda and Dennis Ficarra combined to make a superior Cav team.

Coaches John Altobello, Jack Smith, and Ronnie Aucoin deserve a tremendous amount of credit for the team's standing, despite the numerous unfortunate circumstances they encountered.

TRACK

The 1965 Cavalier Track team, piloted by Coach Leemon McHenry and his able associates, showed a vast improvement over the thinclads of last year's young team. While the team was blessed with talent in all divisions, the true strength of the team was in the distance, middle-distance, and field events.

Although the entire team performed well, the most consistent point gathers were seniors Larry Mickal and Mike Greenwald, and sophomore Kerry Burst. Mickal left DLS as the holder of four meet records and third place in the State Meet in the discus event. Because of a third place finish in the Freshman-Sophomore Meet, the young De La Salle cindermen show great promise for the future. Indeed, Cavalier track fortunes are looking up.

WRESTLING

GRAFTON IS FIRST DLS STATE CHAMP

With 1965 being only De La Salle's second year in competitive wrestling, few observers thought the Cavs would be in contention for any city or state titles. However, all were in for quite a surprise.

The Cavalier wrestlers started off slowly by losing their first meet to district rival Jesuit by a 22-17 decision. This loss enabled the DLS grapplers to gain valuable experience, which was the boost the team needed. In a second meet against Jesuit, the Cavs soundly trounced the hapless Jays, 25-15.

However, the true test came in State Matches, where competition was extremely tough. DLS surprised everyone and finished a cool third in the state. Billy Grafton was crowned the first Cav wrestling champ by defeating his opponent in the 185 pound class. Pete Ibert and co-captains Mike Caire and Billy Cangelosi gave good account of themselves by placing second in the state in their respective divisions.

Besides co-captains Caire and Cangelosi, much credit for the success of the team must be extended to Mr. Frank DiSalvo and Mr. Warren Caire who gave generously of their time to make the team what it was.

GOLF

CLEMENT TAKES STATE LAURELS

In 1965, Brothers Adrian and Aquinas went all out to bring a golf team to be respected by all to De La Salle. Under their able leadership and with the talent of team captain Jack Clement, this goal was accomplished.

This year the team had won several major tournaments, beaten all of the major high schools in the New Orleans area and placed high in the State Golf Tourney. The finest showing the Cavs made all year came in the St. Paul's Tournament in which DLS finished first ahead of very stiff competition. In this tournament, as well as most of the others Clement received medalist honors. Adding a final touch to a brilliant golfing year, Clement captured the number one spot in the state.

Thus it was proven that DLS now has a golf team second to none.

CONFRATERNITY OF CHRISTIAN DOCTRINE

The Confraternity of Christian Doctrine at De La Salle is composed of those boys interested in spreading the word of God to Catholic children in the New Orleans area who attend public school or no school at all. This year, the members conducted classes at St. Raphael's School for the Handicapped and at St. Mary of the Angels.

Much sacrifice is required on the part of all concerned, especially the teachers, who spend many long hours studying and preparing classes. It is this spirit of charity that earns for them the right to be called TRUE CHRISTIANS —followers of Christ and leaders of men.

CAVALIER BAND

The De La Salle Cavalier Band, under the baton of Brother Eugene, proved its excellence again this year in all of its endeavors. Led by Drum Major Charles Brent and Band President David Isidore, the newly uniformed band was kept busy throughout the entire year.

In the fall, the band participated in many pre-game pep rallies and colorful half-time performances. The spirit of the chilled Cav football fans was kept alive by the foot-tapping music supplied by the band throughout the games. The Christmas Concert illustrated the music makers versatility as they played the best of the classics, pop tunes, and traditional carols.

The Carnival Season saw the band march in four glittering parades. In three of these parades, the DLS troubadores had the place of honor, playing immediately before the king's float. To round out the year, the musicmen performed well at the annual DLS Talent Show and did a creditable job at Municipal Auditorium for Commencement Exercises. This roster of events, together with the many LMEA accolades won by individual band members, proves that the best is always in demand.

AN AIM INTO THE FUTURE

A few years ago the Science Club of De La Salle was rarely ever heard of. However, the Science Club of 1965 was one of the largest and busiest organizations at DLS.

This year, the Science Club heard outstanding speakers on subjects varying from LASER beams to the habits of South American vampire bats. The activities of the club included field trips to the L. S. U. Medical Center as well as to the NASA facilities at Michoud.

Under the guidance of Mr. Felix Gaudin, the Science Club will continue to advance with man's scientific progress.

NATIONAL HONOR SOCIETY

The year 1965 showed the first real accomplishments of the young De La Salle Chapter of the National Honor Society. With Mr. Alvin Murphy as Moderator and Billy Grafton as President, the chapter gained recognition throughout the city and state.

Ranking high among the successful projects of the NHS was College Night which enabled parents of Juniors and Seniors to learn about the colleges their sons plan to attend. This year, Mr. Murphy and numerous other chapter moderators were instrumental in forming a city-wide chapter of The National Honor Society. Billy Grafton, DLS Chapter president, was elected first president of this young organization.

Finally, the year's work was completed with an impressive induction ceremony for about twenty-five new members. It is hoped that these new members will carry on the work started by their predecessors.

DEBATE

For the Debate Team this was a "building year." With key debaters graduated, Brothers John and Marshall, Co-moderators, were left with a void to fill. Although the team didn't take many laurels, the experience puts the debaters in good stead for next year.

Besides, the opportunity of debate gives the participants skills in the English language and attributes needed for later life.

Charter Members of the DLS Gavel Club.

GAVEL CLUB

The Gavel Club is a new name for an old De La Salle organization. To the Upperclassmen, it is better known as the Speech Club. Under the guidance of Mr. Adrian Martinez, the organization obtained a charter from the Toastmasters International. The young club learned many techniques of proper speech which they used in a few speech tournaments. Because of a late start, not as much was accomplished as was hoped. Next year, however, things will be quite busy for both moderator and members.

CIVICS CLUB

The De La Salle Civics Club has a two-fold purpose: to enlighten the students on current civic issues and to make the student aware of his part in the democratic society. Through its many activities, the Civics Club has truly attained its goal.

As part of the itinerary, the club sponsored a mock Presidential election, a clothing drive for the needy, and a visit to the Louisiana Legislature.

Throughout the year, guest speakers have informed the members on current topics of interest and have answered pointed questions from the enthusiastic group. The topic which most interested the students this year was the civil rights movement. Therefore, Brother Giles, arranged debates, discussions and speakers to examine both sides of the issue. Through such participation the Civics Club will continue to involve the students in timely matters.

MAROON LEGEND

Under the able guidance of moderator Brother Justin and Editor-in-Chief Ed Anderson, the diligent staff of the '65 Maroon Legend went about the difficult task of improving last year's fine edition, which took second place distinction in AAA judging. The result is one of the finest yearbooks in the New Orleans area.

Besides Anderson, special credit must be extended to Associate Editor Phil Backes and Division Editors George Blount, Mark Beyer, Steve Barron, and Tim Triche. Mix the above with a good staff of writers (Bernard Fernandez et al.); blend in some good typists and a lot of sweat; and the end product is this—The 1965 Maroon Legend. Truly it can be said of this book: "Never have so few done so much for so many."

CAVALIER NEWSPAPER

The success of THE CAVALIER is seen in the certificate it won as "the outstanding Triple-A newspaper in Louisiana" at the state Literary Rally. This symbol of excellence is the end product of the hard work of THE CAVALIER staff. This year they made an all-out attempt to make the De La Salle news magazine the best ever, and their efforts were rewarded.

Daring to be a bit controversial, THE CAVALIER explored topics not seen in previous years' issues. This year the literary section was expanded, and it brought raves from people at the literary top. Much credit must be extended to faculty moderator Brother Amedy Long and Editor-in-Chief, Jim Farwell, who made the CAVALIER the journalistic success that it was...

PHOTOGRAPHY CLUB

The D L S Photography Club is one of the schools most important extra-curricular organizations. With Brother Albert as Moderator and George Tittle as Head Photographer there was always something "developing." Hardly a day would go by without one of the camera boys either taking pictures for the Maroon Legend or The Cavalier, or processing the endless rolls of film. This job, as the photographers well know, is one that doesn't stop with the end of the school year. Many photographers work into the summer months in order to make the pictures that appear in this yearbook of the highest quality. It is for their effort that we say "Thanks" for a job well done.
